

### **Color Clinic 3, What you will need:**

If using oil:\*

Gamblin Oils (or equivalent) Cad Yellow Light, Naphthol Red, Ultramarine Blue, Titanium White, Gamsol or equivalent

Mixing palette

Palette knife

1 brush, size 6 with the longest hair you have available

(such as an Extra-long Flat, Egbert, Long Filbert, etc.)

One object that is either round or cylindrical (such as a vase) and is a solid color (not transparent or multiple colors or design)

Spot light or lamp without a shade.

Solid colored cloth.

Painting surface, approximately 8x10.

\*If you do not have these specific colors or are using another medium, do your best to find three primary colors that will mix to make nice vibrant secondary colors.
